Registration at the University

- At your arrival in Naples please send an email to *incoming@unina.it* to be registered at the University

If you will start Erasmus mobility attending the courses from your own country, please let us know with an email and we will register you so that you can access the university tools. If at a later time you will come here in Naples to continue the semester, please send an email to inform us of your arrival.

- After the registration you will receive a certificate with your student number and PIN code.

The International Office will fill in and sign all the documents requested by your University. For signing the Learning Agreement and other information about courses you need to contact your Academic coordinators.

Access to the UNINA IT Tools

In order to access the University Information Technology System, international/Erasmus students need to activate their institutional email ...@studenti.unina.it following these steps:

1. Go to <https://www.idm.unina.it/UninaPswMngt/loginPuk>;
2. Carry out a login entering user key (Codice Fiscale) and PIN;
3. Once logged-in, account and institutional e-mail box will be visible;
4. Click on the indicated link — the page to change the password to associate to the mailbox will be displayed;
5. Push “**save**” to save information or “**cancel**” to cancel them.

Access to the UNINA IT Tools

Once activated your email you can access the University Wi-Fi connection, the reserved student area of docenti.unina.it and Microsoft Teams.

DocentiUnina (www.docenti.unina.it) is a tool that allows electronic connection between teachers and students. Through this service, Federico II professors will share information, materials and documents with students.

Microsoft Teams is the main tool that will be used for the online teaching. Further information at <https://software.sso.unina.it/teams/TEAMSstartguideStudent.pdf>

Codice Fiscale

The **Codice Fiscale** is the tax code in Italy. This is an alphanumeric code consisting of 16 characters. It is the only way to identify unambiguously individuals and it is necessary for several purposes, e.g. open a bank account, receive payments or scholarships, etc...

Send an email to the **International Welcome Desk** (internationalwelcomedesk@unina.it), the **ONLY** company in charge of welcoming foreign students and researchers. They will assist you in obtaining fiscal code.

PIN code and exams

The **PIN** (Personal Identification Number) is a code necessary for the exams digital registration. You will receive it as soon as you will register at University of Naples Federico II.

Please remember to provide the PIN every time you will pass an exam, even if it is a written one.
Otherwise your exam will not be registered.

Access to the Microsoft Teams

If you don't have an Office 365 account, please follow the registration instructions at <https://softwareesso.unina.it>

If you have an Office365-Unina account with your account (*account@studenti.unina.it*) go to the following link to sign-in <https://www.office.com/>

Attention: ONLY USE «Account aziendale o dell'istituto di istruzione»

To access the Office 365 Unina suite you need to get an account as described above. If you sign in with credentials acquired autonomously from Microsoft portal or Windows credentials, you can't use all the features provided by Unina.

Teams

Access to the Microsoft Teams

Teams is available in web version or app Desktop version

You can access the web version here <https://teams.microsoft.com/>

The app Desktop option, is more complete than the web version. If you decide to use the web option (no installation required), you should use Chrome or the last EDGE version. For the app Desktop version, install and then launch the application, in order to enter with the credentials Office365 Unina (*account@studenti.unina.it*)

To start Teams you need to click on the icon in the app list you can find in Unina Office 365 main page

Teams

Attending classes with Microsoft Teams Meeting

If you are invited, a notification on Teams or an email will inform you that you are a member of a team.

You can ask to become a member of a team if you are not part of it but that you see it in the teams list. In that case, the owner of that team has to allow you to access that specific team.

The creator of a team can make a code and share it. If you receive a code, use it to access to the team with the option “*Unisciti a un team o creane uno*”.

Second semester organization

A blended semester (mix of presence and distance activities) is currently planned.

Laboratory and practical activities will be carried out in presence, respecting all safety measures. In any case, students who are unable to attend the courses in presence will be given the opportunity to attend them online.

More information are available on the web site of each Department. You can also contact your Academic Coordinator or the Erasmus Departmental Coordinators for further details.

General safety rules

- If you have symptoms of **acute respiratory infections** (fever, cough, cold), DO NOT leave your house.
- When you are in the university common areas (classrooms, laboratories, common areas, etc) always wear a **mask** to protect your nose and mouth.
- Follow the directions on the signs.
- In the classrooms, sit only in the **indicated places** (they will be highlighted by specific signs), avoid gatherings (especially in and out) and physical contact.
- **Wash your hands** frequently or use the special dispensers of sanitizing solutions to keep them clean; avoid touching your face and mask.

safety

Important warning
