

BARCELONA IABMAS 2022

11th International Conference on Bridge Maintenance, Safety and Management

Barcelona, 11 - 15 July, 2022

Dear colleagues and friends,

we warmly wish to invite you to participate to the Minisymposium MS20 on submerged floating tunnels that we have organized within the 11th INTERNATIONAL CONFERENCE ON BRIDGE MAINTENANCE, SAFETY AND MANAGEMENT (IABMAS2022), to be held in Barcelona, Spain, on 11 – 15 July 2022.

The title of the Minisymposium 20 is “The Submerged Floating Tunnel, a smart infrastructure for waterway crossing”.

The aim of the Mini-symposium MS20 is to collect, share and discuss the latest achievements towards the realization of the first SFT infrastructure.

MS20 will deal with a broad range of topics, such as: Structural concept, Design criteria, Design loads, Analysis methods, Construction process, Foundations, Shore connections, Small scale tests, Maintenance strategies, Safety monitoring and risk control, Innovative materials and technologies, Multi-disaster prevention and mitigation, Codification.

Hereafter we are providing you with the link to the web page of the Conference:
<https://congress.cimne.com/iabmas2022/frontal/default.asp>

We would like to stress that the deadline for the abstract submission was the 19 August 2021. However further late submissions are still going to be accepted. The main dates for the paper submission are the following ones:

Abstract Submission	19 August 2021
Acceptance of the Abstract	8 October 2021
Full Paper submission	15 December 2021
Acceptance of the full paper	15 January 2022
Final paper submission	1 February 2022

If you would like to accept our invitation, the abstract and paper submissions should follow the procedure given at the following page:
<https://congress.cimne.com/iabmas2022/frontal/Abstract.asp>

Looking forward to hearing from you, we remain at your disposal for any further information you may need.

Best regards,

The Minisymposium organisers:

Prof. Yiqiang Xiang
