Registration at the University

- At your arrival in Naples please send an email to incoming2122@unina.it to be registered at the University. If you need to come to the International Office for original signatures on documents from your universities, let us know, we will give you an appointment.
- After the registration you will receive a certificate with your student number and PIN code.

The International Office will fill in and sign all the documents requested by your University. For signing the Learning Agreement and other information about courses you need to contact your Academic coordinators.

Access to the UNINA IT Tools

In order to access the University Information Technology System, international/Erasmus students need to activate their institutional email ...@studenti.unina.it following these steps:

1. Go to <https://www.idm.unina.it/UninaPswMngt/loginPuk>;
2. Carry out a login entering user key (Codice Fiscale) and PIN;
3. Once logged-in, account and institutional e-mail box will be visible;
4. Click on the indicated link — the page to change the password to associate to the mailbox will be displayed;
5. Push “**save**” to save information or “**cancel**” to cancel them.

Access to the UNINA IT Tools

Once activated your email you can access the University Wi-Fi connection, the reserved student area of docenti.unina.it and Microsoft Teams.

DocentiUnina (www.docenti.unina.it) is a tool that allows electronic connection between teachers and students. Through this service, Federico II professors will share information, materials and documents with students.

Microsoft Teams is the main tool that will be used for the online teaching. Further information at <https://softwaresso.unina.it/teams/TEAMSstartguideStudent.pdf>

Codice Fiscale

The Codice Fiscale is the tax code in Italy. This is an alphanumeric code consisting of 16 characters. It is the only way to identify unambiguously individuals and it is necessary for several purposes, e.g. open a bank account, receive payments or scholarships, etc...

Send an email to the International Welcome Desk (internationalwelcomedesk@unina.it), the ONLY company in charge of welcoming foreign students and researchers. They will assist you in obtaining fiscal code.

PIN code and exams

The PIN (Personal Identification Number) is a code necessary for the exams digital registration. You will receive it as soon as you will register at University of Naples Federico II.

Please remember to provide the PIN every time you will pass an exam, even if it is a written one.
Otherwise your exam will not be registered.

Access to the Microsoft Teams

If you don't have an Office 365 account, please follow the registration instructions at <https://softwaresso.unina.it>

If you have an Office365-Unina account with your account (*account@studenti.unina.it*) go to the following link to sign-in <https://www.office.com/>

Attention: ONLY USE «Account aziendale o dell'istituto di istruzione»

To access the Office 365 Unina suite you need to get an account as described above. If you sign in with credentials acquired autonomously from Microsoft portal or Windows credentials, you can't use all the features provided by Unina.

Teams

Access to the Microsoft Teams

Teams is available in web version or app Desktop version

You can access the web version here <https://teams.microsoft.com/>

The app Desktop option, is more complete than the web version. If you decide to use the web option (no installation required), you should use Chrome or the last EDGE version. For the app Desktop version, install and then launch the application, in order to enter with the credentials Office365 Unina (*account@studenti.unina.it*)

To start Teams you need to click on the icon in the app list you can find in Unina Office 365 main page

Second semester organization

Federico II will offer all courses in presence, according to the capacity of the classrooms and in compliance with the anticovid legislation. If needed only one third of the course hours will be from distance.

Laboratory and practical activities will be carried out in presence, respecting all safety measures. In any case, students who are unable to attend the courses in presence will be given the opportunity to attend them online.

More information are available on the web site of each Department. You can also contact your Academic Coordinator or the Erasmus Departmental Coordinators for further details.
